

The lyrics in Swedish are quite beautiful, and I would like to share this beauty with my friends who do not speak Swedish. Because I have been unable to find a satisfying English translation to the lyrics, I decided to translate them myself. Here is my rough English translation:

*Christmas, Christmas, glorious Christmas: shine over white forests,
heavenly crowns with sparkling lights,
glimmering arcs in the houses of God,
hymns that are sung throughout the ages,
eternal longing for light and peace!
Christmas, Christmas, glorious Christmas, shine over white forests!*

*Come, come, blessed Christmas: lower your white wings,
over the battlefield's blood and cry,
over the breaths from the bosoms of men,
over the loved ones who've gone to their rest,
over the daybreak of newborn life!
Come, come, blessed Christmas: lower your white wings!*
